

# Operating at Nontowered Airports and Air Traffic Control Procedures

This is the second seminar of this format at SUZ. It is by design limited to 25 participants, so that direct interaction can be achieved among participants and presenters. Following the formal presentations and discussions time will be provided for open questions and discussions. A brief informal/refreshment time will start at 6:00 pm, presentations begin at 6:30.

**Directions:** Saline County Regional Airport is located South of Bryant just off Highway 183. The seminar will be held in the Everett Buick-GMC Conference room in the Terminal Building.

## A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
